

## 2018 Call for Nominations

AACTE has numerous volunteer opportunities. This site will be collecting nominations for the following:

- AACTE Board of Directors
- AACTE Standing Committees

*Candidates for Board of Directors and the Standing Committees must not have served in the same capacity over the past three years to be eligible for the 2019-2022 term.*

### **AACTE Board of Directors**

*Nominations are due by May 7, 2018.* Terms of service are for three years from March 1, 2019 – February 28, 2022. Both nominator and nominee must be from member institutions. Self-nominations are accepted. AACTE Chief Representative or Institutional Representatives are eligible to serve. The Board candidates will be selected by October 2018. Board elections will run in November 2018. The Board meets twice each year, once during the AACTE Annual Meeting and once in the fall.

### **AACTE Standing Committees**

*Nominations are due by May 7, 2018.* Terms of service are for three years from March 1, 2019 – February 28, 2022. Both nominator and nominee must be from member institutions. Self-nominations are accepted. All faculty, staff, and administrators from member institutions are eligible to serve. Committees will be slated by August 2018, and then approved by AACTE's Board of Directors by October 2018. Committees meet at least one in person each year (during the AACTE Annual Meeting) supplemented by conference calls or virtual meetings.

## **Committee Charges from the Board of Directors**

### **Committee on Global Diversity**

The Committee on Global Diversity is charged with fostering the development of quality teaching and professional education practices that promote diversity, equity, and global perspectives that advance the preparation of world-class educators responsive to all learners. This work includes—

- Providing expertise and leadership to help strengthen professional education programs and capacity in global diversity through the creation, promotion, and/or dissemination of related deliverables via AACTE or other approved venues
- Advising AACTE's global diversity initiatives

### **Committee on Government Relations and Advocacy**

The Committee on Government Relations and Advocacy is charged with supporting AACTE and its membership in its advocating for the profession. This work includes—

- Serving as the lead advocates of the AACTE membership and working to build the capacity of AACTE and its members to be the nation's leading advocates for educator preparation at the state and national levels
- Supporting AACTE's government relations staff in the development of national legislative priorities and activities
- Advising AACTE's government relations and advocacy activities

### **Committee on Innovation and Technology**

The Committee on Innovation and Technology is charged with developing the Association's classroom reform and technology agendas related to PK-12 and postsecondary education. This work includes—

- Promoting the use of innovative strategies and technological interventions in schools and professional educator preparation contexts by gathering and disseminating information about resources and practices
- Facilitating communication and interaction about innovations in learning and technology among educator preparation faculty
- Advising AACTE's innovation and technology initiatives

### **Committee on Meetings and Professional Development**

The Committee on Meetings and Professional Development is charged with recommending and supporting professional development activities that strengthen member programs and build their capacity to prepare educators who can teach every child effectively. This work includes—

- Identifying and developing themes and strands for the Annual Meeting, drafting the accompanying calls for proposals, and coordinating the proposal solicitation process
- Verifying the Annual Meeting proposal review process, ensuring reviews are completed, and making decisions on member sessions based on reviewer feedback

- Recommending speakers and topics for AACTE sessions during the Annual Meeting
- Advising on topics and programming for the Leadership Academy
- Advising AACTE regarding the professional development needs of the membership and new formats for delivery of professional development activities

### **Committee on Membership Development and Capacity Building**

The Committee on Membership Development and Capacity Building is charged with advising AACTE around member recruitment and retention, including ongoing attention to dues structures and membership categories that best meet the needs of the Association. This work includes—

- Participating in the design and implementation of member recruitment and retention initiatives, including the identification of timely educator preparation issues, programs, and services that can best meet the needs of the educator preparation community
- Developing member feedback and evaluation methods to inform what programs and services would respond to current needs
- Participating in development and evaluation of communication and marketing plans for existing and new programs and services for members and prospective members
- Assisting AACTE staff in developing prospective member recruitment initiatives with AACTE state chapters and member institutions
- Advising AACTE’s other membership initiatives

### **Committee on Professional Preparation and Accountability**

The Committee on Professional Preparation and Accountability is charged with providing leadership in the development of professional consensus on standards, assessment, and practice in educator preparation. The Committee advocates for evidence-based accreditation, licensure, certification, and program approval to strengthen both preservice preparation and the greater profession of education. This work includes—

- Overseeing the design and implementation of technical assistance related to professional standards and practice
- Supporting initiatives that strengthen linkages among the professional standards for educators, professional educator preparation programs, and student learning
- Advising AACTE on other issues pertaining to professional preparation and accountability

### **Committee on Research and Dissemination**

The Committee on Research and Dissemination is charged with advising and assisting the Association in facilitating, promoting, and disseminating research that adds to the knowledge base for educator preparation, making meaningful contributions to the professional narrative, and building the capacity of the field and the Association to inform policy and practice. This work includes—

- Serving as the editorial board for the *Journal of Teacher Education*, advising both the member editors and the publisher as needed and assisting AACTE in the periodic recruitment and selection of new editors

- Administering the Association's Writing and Research Awards, issuing an annual call for entries and reviewing applications for the Outstanding Book Award, Outstanding Dissertation Award, and Outstanding *JTE* Article Award
- Advising AACTE's other research-related initiatives
