TEACH Grant Recipient

First Name: Tina **Last Name:** Sanchez

Student Profile:

The TEACH grant is helping me to achieve my dream of becoming an elementary school teacher. Without the TEACH grant I will accumulate more financial debt in student loans. The TEACH grant is reducing my financial stress and allowing me to focus my attention on my education. Next year I will depend on the TEACH grant as I begin my student teaching. I am looking forward to gaining experience in the classroom, maximizing my time with my students and mentor teacher. I know I will be able to make a difference when I complete my credentials in the lives of the students and families I will serve. I am thankful for financial programs like the TEACH grant that can make this possible.
