## Student Profile:

I am currently teaching in a 2nd grade bilingual classroom. I received the TEACH grant to help me complete my undergrad without any sort of debt. I am currently completing my 2nd year of teaching. I have recently received the TEACH grant to complete my Masters. This grant has helped me reduce the financial stress and has allowed me to focus on my studies. Once I finish this grant I will continue to teach, and having my Master's degree will allow me to be more marketable.
