Student Profile:

The journey to becoming an educator is a very exciting one for me. My experience with the faculty at Ohio University has made my journey not only easier, but even more exciting for me. I know that I am receiving a quality education and the financial burden that comes with the outstanding instruction is lifted through the TEACH Grant. The additional funds give me the opportunity to focus my attention on my studies without needing to worry about how I will pay for my tuition. It also motivates me to earn the highest grade achievable because I do not want to jeopardize my funding. I am excited to graduate and begin inspiring students, and I know that I can look forward to graduating without worrying about a hefty loan debt.
