TEACH Grant Recipient

First Name: Heather **Last Name:** Starks

Student Profile:

The TEACH grant has made a tremendous difference with my education. I am a single mother of 13-year-old twin boys, so the extra funds to assist with my college expenses has been beyond a blessing. I know that with being in my last semester the expenses have really increased. I have been so grateful for the TEACH grant. It has really helped and assisted me and my family!
